---

### **Profile:**

A multidisciplinary artist with good leadership and discipline. Flexible in handling different mediums and open to any artistic challenges. He is imaginative with fresh innovative ideas and is willing to take risks but at the same time never compromise the quality of his works.

### **Personal Interest:**

He loves exploring outdoor and adventure places where he never went before. Which he explores abandoned places for their spatial availability. He has a keen interest in performance art, graffiti arts, photography, filmmaking, music and anything related to the arts.

---
